Financial advice process

Financial Planning

We recognise that the objectives and personal circumstances of each client are different.

Where we provide personal advice, we will listen to you to understand your objectives and circumstances. We will also ask questions to make sure we provide advice which is in your best interests.

When we first provide personal advice to you it will be explained thoroughly and documented in a Statement of Advice (SoA) which you can take away and read.

The SoA will explain the basis for our advice, the main risks associated with the advice, the cost to you of implementing the advice, the benefits we receive and any conflicts of interest which may influence the advice.

For administration platforms, managed funds and personal risk insurance products we will provide you with a Product Disclosure Statement. This contains information to help you understand the product being recommended.

At all times you can contact us and ask questions about our advice and the products we recommend.

You can provide instructions to us in writing, via phone or via email. In some cases, we may require you to provide signed instructions.

We may provide further advice to you to keep your plan up to date for changes in your circumstances, changes in the law and changes in the economy and products.

If we provide further advice it will typically be documented in a Record of Advice which we retain on file. You can request a copy of the RoA document at any time up to 7 years after the advice is provided.

Fees

All fees are payable to Switzer.

Advice Preparation Fee

The Advice Preparation fee includes meeting with you, the time we take to determine our advice and the production of the SoA.

The Advice Preparation fee is based on the scope and complexity of advice provided to you. We will agree the fee with you before providing you with advice.

Advice Implementation Fee

If you decide to proceed with our advice we may charge a fee for the time we spend assisting you with implementation. We will let you know what the fee will be in the SoA.

Ongoing Services Fees

Our ongoing service fees depend on the ongoing service that we provide to you. They will be an agreed fixed fee which is paid monthly or quarterly.

The services and fees will be set out in the SoA or RoA that we provide to you and our Engagement Letter.

Commissions

We may receive commissions and other benefits from some product providers. The commission or benefit will vary depending on the recommended product and will be documented in the SoA or RoA.

Insurance Commissions

Switzer may receive a one-off upfront commission when you take out an insurance policy we recommend. We may also receive a monthly commission payment for as long as you continue to hold the policy.

Placement or Stamping Fees

Switzer may receive one-off placement fees where you invest in some listed investments (eg bank issued hybrids and IPO's). These will be paid by the issuer of the investment and will typically be a set % of the investment amount.

Other Benefits

We may also receive additional benefits by way of sponsorship of educations seminars, conferences or training days. Details of any benefits received above \$100 will be maintained on a register which is available to you on request.

Adviser Remuneration

Our financial advisers are remunerated by salary. They do not receive a share of fees and commissions but may receive a performance

bonus which may be based on various factors including the amount of revenue they generate.

Advisers who are equity holders in the business also share in the profits of the business.
